

How to Access Zoom Class Meetings in Moodle

- 1 First, search for your course from [Dashboard | PacificCollege](#)

Dashboard / Current Courses / Search WS521.51.2026

Pacific College Moodle

Manage courses

WS521.51.2026

Search results: 1

WS521.51.2026WS50 Anatomy and Physiology 1 Lecture

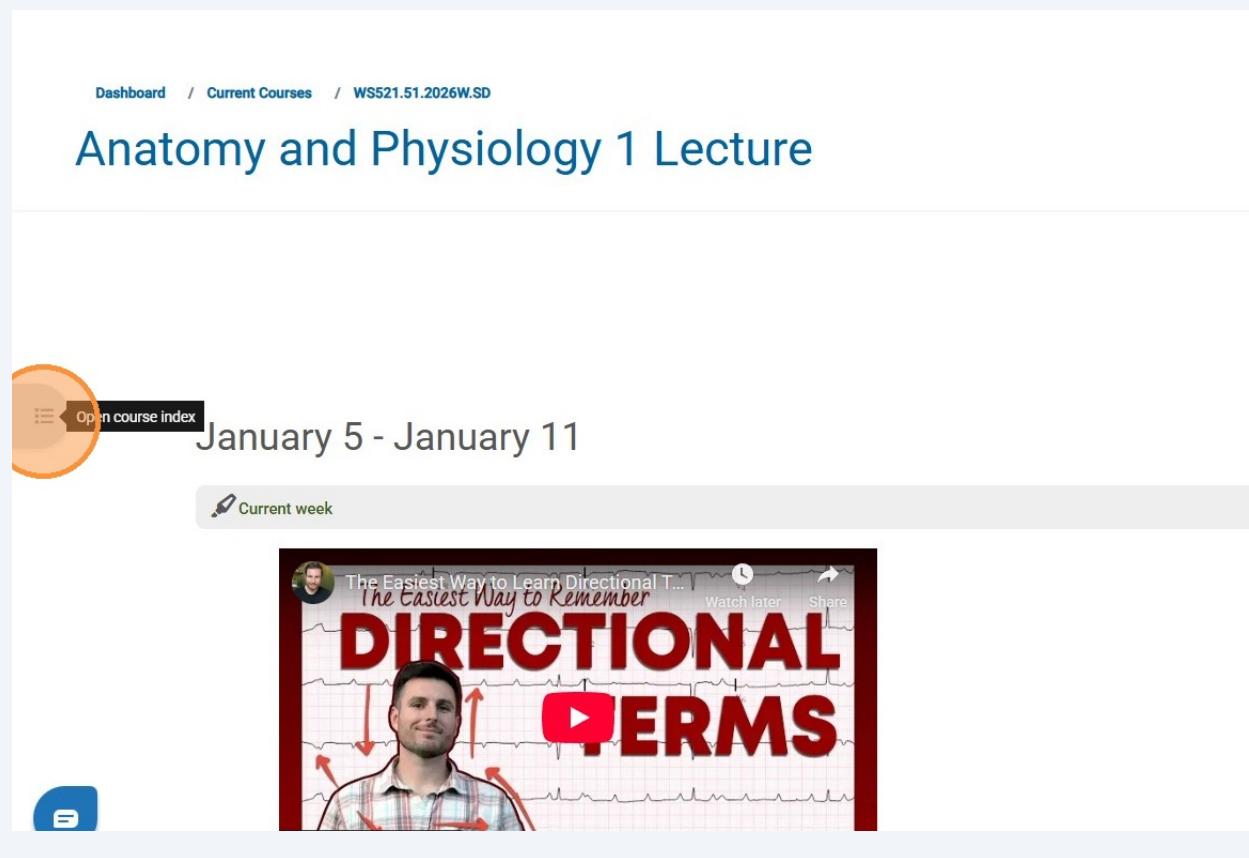

WS521

Teacher: Melinda Williams

Category: 2026W

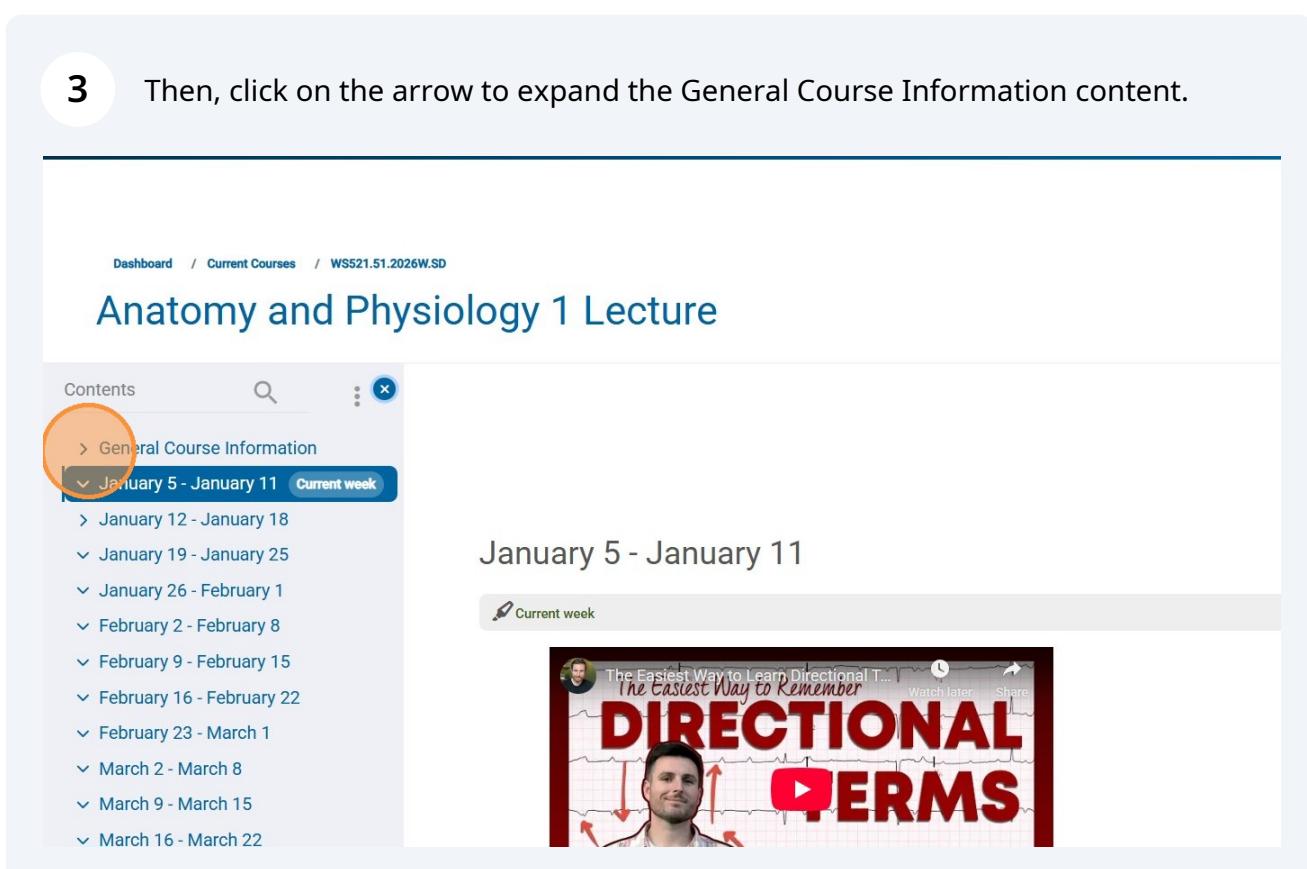

2 Then, open the **Table of Contents** panel on the left side of the screen to view your **Moodle course** content.

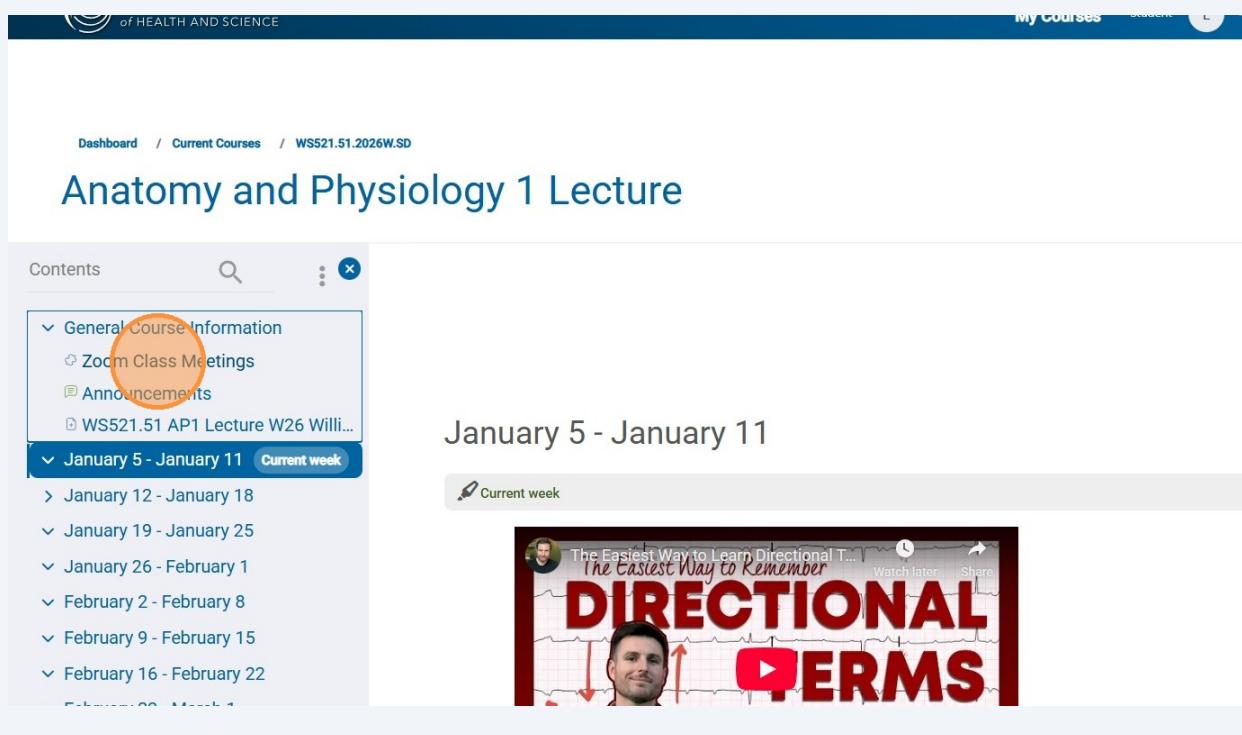

The screenshot shows the Moodle course interface for 'Anatomy and Physiology 1 Lecture'. At the top, there is a navigation bar with 'Dashboard' and 'Current Courses' (both in blue) and 'WS521.51.2026W.SD' (in grey). The main title 'Anatomy and Physiology 1 Lecture' is displayed in large blue text. Below the title, there is a circular orange button with a white icon and the text 'Open course index'. To the right of this button, the text 'January 5 - January 11' is displayed. Below this, there is a grey bar with a pencil icon and the text 'Current week'. Underneath the bar, there is a video thumbnail for a lecture titled 'The Easiest Way to Learn Directional T... DIRECTIONAL TERMS'. The thumbnail features a man in a plaid shirt and red directional arrows pointing up, down, left, and right. To the left of the video thumbnail, there is a blue square icon with a white 'e' symbol. The entire interface is set against a white background.

3 Then, click on the arrow to expand the General Course Information content.

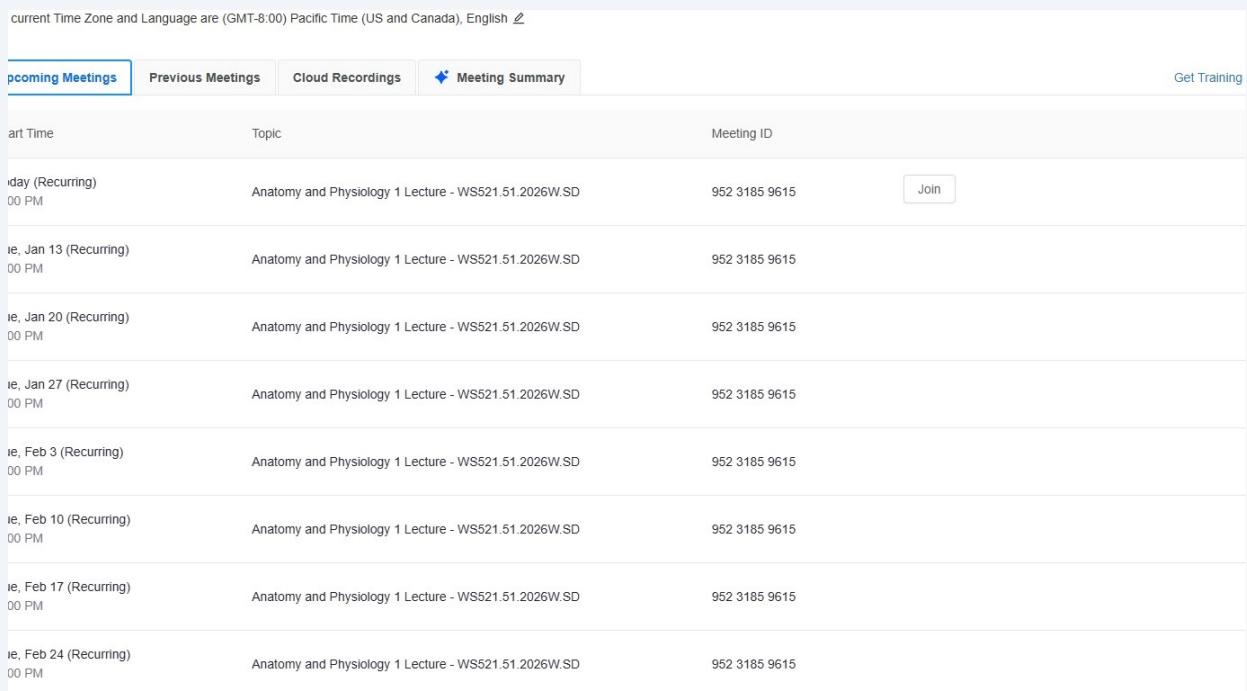

The screenshot shows the Moodle course interface for 'Anatomy and Physiology 1 Lecture'. At the top, there is a navigation bar with 'Dashboard' and 'Current Courses' (both in blue) and 'WS521.51.2026W.SD' (in grey). The main title 'Anatomy and Physiology 1 Lecture' is displayed in large blue text. On the left side, there is a 'Contents' panel with a search icon and a close button. The 'General Course Information' section is expanded, showing an arrow icon. Below it, the 'January 5 - January 11' section is expanded, showing a blue 'Current week' button. To the right of the contents panel, the text 'January 5 - January 11' is displayed. Below this, there is a grey bar with a pencil icon and the text 'Current week'. Underneath the bar, there is a video thumbnail for a lecture titled 'The Easiest Way to Learn Directional T... DIRECTIONAL TERMS'. The thumbnail features a man in a plaid shirt and red directional arrows pointing up, down, left, and right. The entire interface is set against a white background.

4 Click "Zoom Class Meetings".

The screenshot shows a course dashboard for 'Anatomy and Physiology 1 Lecture'. The left sidebar contains a 'Contents' menu with sections like 'General Course Information', 'Zoom Class Meetings' (which is circled in red), 'Announcements', and 'WS521.51 AP1 Lecture W26 Will...'. Below this is a list of weeks from 'January 5 - January 11' to 'February 16 - February 22', with 'January 5 - January 11' highlighted as 'Current week'. The main content area displays a video thumbnail for 'January 5 - January 11' with the title 'The Easiest Way to Remember DIRECTIONAL TERMS!' and a play button.

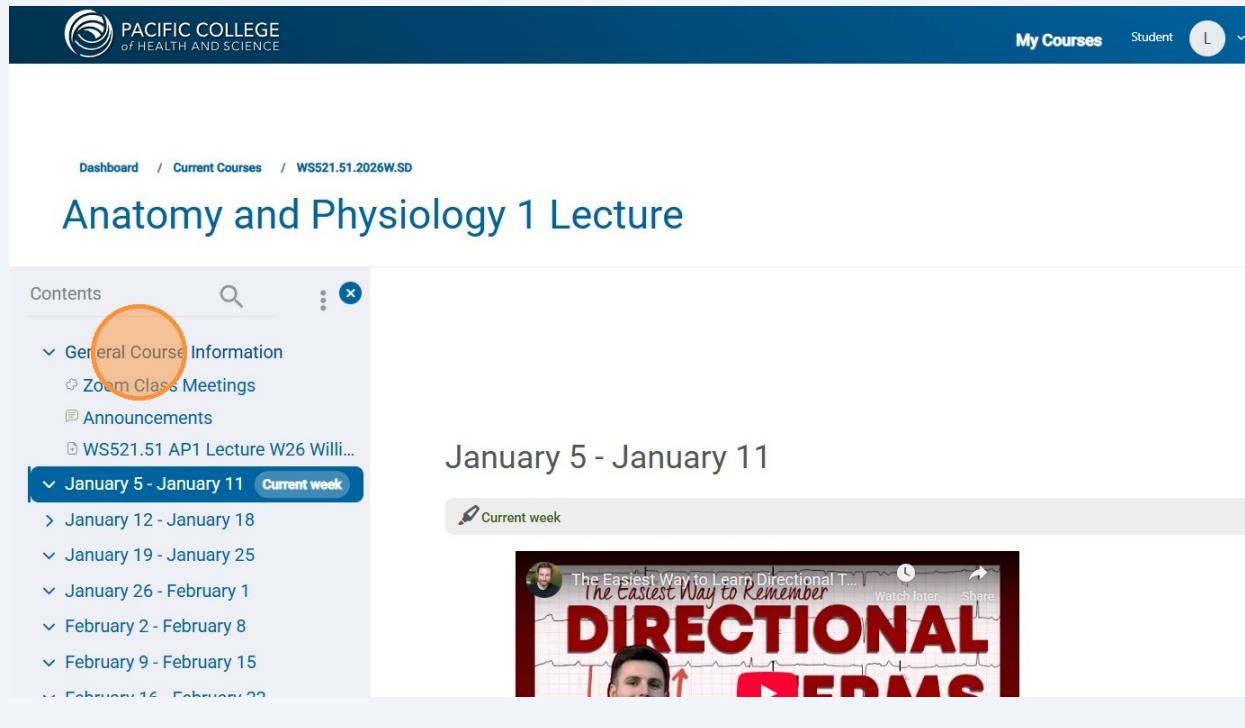

5 You'll be redirected to the **Meetings** page, where you can view and manage your scheduled meetings.

The screenshot shows the 'Meetings' page with the 'Upcoming Meetings' tab selected. It lists scheduled Zoom meetings for the course. Each row includes the start time, topic, and meeting ID, with a 'Join' button for each meeting.

Start Time	Topic	Meeting ID	Action
12:00 PM (Recurring)	Anatomy and Physiology 1 Lecture - WS521.51.2026W.SD	952 3185 9615	Join
12:00 PM (Recurring)	Anatomy and Physiology 1 Lecture - WS521.51.2026W.SD	952 3185 9615

6 You can also access your meetings by clicking on the **General Course Information** section.

The screenshot shows a LMS interface for a course titled "Anatomy and Physiology 1 Lecture". The left sidebar has a "Contents" section with a tree view. The "General Course Information" node is expanded and highlighted with an orange circle. Under it are "Zoom Class Meetings", "Announcements", and a PDF document for "WS521.51 AP1 Lecture W26 Willi...". Below this is a section for "January 5 - January 11" with a "Current week" button. To the right, there is a video thumbnail for "January 5 - January 11" with the title "The Easiest Way to Learn Directional Terms" and a "DIRECTIONAL TERMS" graphic. A "Current week" button is also present next to the video thumbnail.

7 Next, click on the **Zoom Class Meetings** LTI to view your scheduled sessions.
